SIR, Grant of scholarships to passed students of the Ayurvedic & Unani College, Mysore, to study allopathic system.

In forwarding herewith the applications of Hakim M.A.Lekhri an Vidwan S. Venkatanarayana Rau, requesting the grant of scholarships - to undergo training in the L.M.P. course, I have the honour to state that both the applicants are students who have passed out of the ---- Ayurvedic & Unani College, Mysore one in Ayurveda and the other in -- Unani and have now joined the Medical School, Bangalore. The Vice President and the College Committee whose opinion was called for in the matter, while stating that it is desirable to encourage the passed students of the College to take up allopathic study recommend ---- that as it is not possible to give these extra scholarships from the budget grant of the College, the same may be sanctioned from the --- Chattram Savings Fund (vide copy of letter No.134 dated 19th September 1934 enclosed).

2. The necessity to have men trained in both the Indigenous and Allopathic systems of Medicine has already been recognised by Government, but the institution of special scholarships for the purpose has been ordered to be deferred for the present for reasons stated in ----- Financial Secretary's letter No.1440/Muz.201-33-10 dated 28th April -- 1934. Pending the institution of a system of scholarships referred to therein, the two candidates that have now come forward may, I ---- think, be given a scholarship of Rs.20/- per mensem tenable for 10 --- months in the year, or at least at the rate of Rs.15/- per mensem --- allowed in the Medical School. As no saving can be anticipated in the

the allotments already made up the college, the amount required for the current year may be met from the closing balance of the Chattram Savings Fund, necessary provision being made therefor in the budgets from the next year.

I have the honour to be,

Sir,

2. No.152/34-35 dated 4/9-8-1934.) narayana Rao, 1st year L.M.P. -- students requesting the grant of scholarships to undergo training in the L.M.P. course, I have the -- honour to state that the college committee in full sympathy with the idea of encouraging the study of the allopathic system of medicine by Ayurvedic Vidwans and Unani Hakims approved in their meeting date 13th January 1934, the recommendation of the Muzrai Commissioner to institute 6 scholarships, 3 for the study of the Western system of medicine by Ayurveda Vidwans and Hakims, the other 3 being for the study of Ayurveda and Unani systems of medicine by medical graduates Accordingly, a communication in this behalf was made to the Muzrai Commissioner in this office letter No.278 dated 31st January 1934, the amount required for these scholarships being recommended to be met out of Chattram Savings Fund. This recommendation of the Committee has not been finally disposed of yet.

In view of the urgent needs of this growing institution, the Committee long back passed a Resolution to the effect that the -- funds of the College should not be diverted for other purposes, and it was recorded in Muzrai Commissioner's office (vide No.Dl 55/32-33 dated 29th August 1932 .)

When a scholarship was sanctioned to Mr. Anantharamachandran, the Committee observed, while recording the Government Order sanctioning the scholarship in their meeting dated 13-1-1934 that it -- should be counted as an exceptional case as the Committee were not in favour of diverting the funds of the College for outside scholarships.

The cases of Messrs. Mekhri and Venkatanarayana Rao were also placed before the Committee in their meeting dated 30-8-1934, and ~~xx~~ there was a general discussion on the following points viz.,

(1) The necessity for encouraging Ayurvedic and Unani qualified candidates in the study of allopathic syste

(2) Provision of funds for scholarships and

(3) The rate of scholarship to be granted

As regards the first point, the Committee expressed the view that Ayurveda Vidwans and Hakims may, as once before recommended by them, be encouraged to study the allopathic system of medicine and as to the provision of funds for scholarships, the same should be recommended to be met out of Chattram Savings Fund. On the 3rd point, the members were of opinion that the rate of scholarship to Vidwans and Hakims should be the same as that adopted in the Medical School at Bangalore where, it was pointed out by one of the members that not more than Rs.20/- per month was being allowed. Finally, as regards the cases of M.A. Mekhri and S. Venkatanarayana Rao, it was resolved that the finances of the Institution do not permit of the diversion of funds to the grant of scholarships for study in other Institutions, and that the request of the students cannot be granted. A copy of the Resolution is herein enclosed for reference. I entirely agree with the decision of the committee.

The enclosures received with your official Memoranda under -- reference are herewith returned.

Respected Sir,

I beg to bring the following few lines to your kind consideration and favourable orders:--

I beg to state that I got a seat in the 1st Year L.M.P. in the Medical School, Bangalore, on your kind recommendation on my application dated 2nd June 1934. I have been attending the classes from 26th June last.

I completed the Course in the Govt. Ayurvedic & Unani College, Mysore and passed the final year examination in the year 1934 in First Class. Throughout the said course of 4 years you were kind enough to help me by awarding me a - scholarship. I have taken up the L.M.P. Course hoping that you will be kind enough to extend the same help to enable me to complete this course also successfully. In this connection I beg to state that I am the only Ayurveda Vidwan who has taken up the L.M.P. course this year.

As I cannot expect any help from my father who has to maintain a big family with his poor pension of Rs.7/7/- p.m. I am entirely depending upon your help for my studies.

In these circumstances I request you will be gracious enough to award me a scholarship and thus enable me to complete the course.

For which act of kindness I shall ever be grateful to you.

I beg to remain,

Respected Sir,

Your most obedient servant,
